

DIAL H FOR HEALERS

GOOD VIBRATIONS

The soul sisters with mysterious powers. By Suzanne Duckett

Georgia Coleridge

Energy worker

Georgia is an expert in energy healing, tuning in to past lives, old injuries and deep-rooted baggage. Her practice involves placing her hands on, or just over, your clothed body, converting negative – and sceptical – energy to positive. 'I'm an upmarket cleaning lady,' she says of her treatments. A Mrs Sheen for the spirit. **AT** Bamford Hay Barn Spa, Gloucestershire (bamfordbody.co.uk; 01608 731703)
